

Let's Get Rid of Drinking and Driving!

Never allow yourself or anybody else to drive after drinking.

- ★ Never drive after drinking even a drop.
- ★ Never provide a vehicle to anybody who has drunk.
- ★ Never serve or offer alcohol to anybody who would drive afterward.
- ★ Never allow anybody having drunk to drive a vehicle or to drive you anywhere.

There is still no end to the traffic accidents caused by drinking and driving. Alcohol taken in your body will impair your physical capabilities and senses before your driving performance would be seriously influenced. So remind yourself of the dangers of drinking and driving which would lead to a serious or fatal accident.
