Rescue and relief operations for the 2024 Noto Peninsula Earthquake

RESPONDING TO ANY DISASTER

Water rescue training

Hoist rescue training

Preparedness for disasters

To respond to various disasters, the TMPD formed rescue units such as TMPD Special Rescue Unit, Mobile Rescue Unit, Water Rescue Unit, and Mountain Rescue Unit. Moreover, the TMPD organized the TMPD Disaster Response Team which was deployed during the 2024 Noto Peninsula Earthquake, and the TMPD Japan Disaster Relief Team which is dispatched and engaged in search and rescue operations overseas.
