

# Traffic Safety Information

I can go forward without pedaling...  
Is it a bike or a motorbike?

but it has an accelerator as well...

It has pedals...

**Q. This looks like a bicycle, but I can make it move forward without pedaling if I operate the accelerator. Is this a bicycle, or is it a motorbike?**

\*Vehicle categories are determined by nominal power.

**A. That is a motorbike.**

## You will need...

- ① A driver's license
- ② A helmet
- ③ A license plate
- ④ Compulsory Automobile Liability Insurance
- ⑤ To meet safety requirements\* (\*Lights (blinkers etc.), mirrors, horn, speedometer etc.)

Be careful when buying at shops or on the Internet!

Driving without any of the above is **illegal**.
